

October

Friday 1st - World smile day

All the children will be speaking about what makes them smile and how we can make each other smile.

W/C 4th - World space week

All things space will be explored to teach the children as much as possible about how amazing space is. All children are welcome to dress up in space themed outfits throughout the week. We will be hosting a competition to see which room in nursery can make the best Rocketship!

Monday 4th - World animal day

Everyone is welcome to dress as their favourite animal as we explore weird and wonderful facts about all the animals on our planet. The importance of all animals and how we can look after them will be taught.

Tuesday 12th - National Day of Spain

Spanish cuisine will be eaten to celebrate the great country of Spain. This day is a national celebration for Spanish people and the children will be learning all about the country and its culture.

Friday 15th - Dussehra

Dussehra is a Hindu festival that is widely celebrated across the world. Hindus believe on this day that only fun, happy, and exciting things should happen on this day! The children will be making their own Rangoli and dancing to traditional music.

Thursday 21st - Reptile awareness day

All reptiles big and small will be explored and learnt about on this exciting day. Our aim is to teach the children about the similarities and differences of reptiles and what makes them unique from other animal groups.
