

Newsletter

December 2021

Dear parents/carers,

The last term of the year is nearly over, we would like to take this opportunity to thank you all for your continuous support and look forward to another successful year in 2022!

An email was sent out to you all yesterday regarding the nurseries most recent Ofsted inspection that took place on Tuesday 9th November 2021. For those that have not yet seen the email, we are pleased to announce that the nursery was awarded an overall grading of a 'Good,' with a good in each area of inspection. Please see attached report.

Rising stars would like to welcome Joseph to the team. Joseph is currently level 2 qualified and had a strong passion for incorporating physical play to support the children's well-being.

As most of you are aware, there have been some changes in regards to COVID-19 and the restrictions, the nursery will be following the recommended advice and will keep you all up to date if there are any changes you need to be aware of.

Unfortunately this year we are unable to invite you all in for the children's Christmas carol and nativity, we will however be recording it for you all as we did last year. Please can all parents email consent for your child to take part in this no later than 3/12/2021. Please also remember that once this video is made and sent to you all that it cannot be shared on social media.

There will be a post box outside the nursery for anyone who wishes to send Christmas cards, if you would like a list of names for your child's friends, please let a member of the management team know.

Buster the Elf will be joining the nursery again from tomorrow – he will be up to all sorts of mischief in the lead up to Christmas so let your children know to keep an eye out!

As the children are now coming to nursery with a variety of clothing, please could you also label their clothing as we have lots of children with the same items. If possible, please could you also try to have gloves/mittens they are attached with the string and put through the sleeves of their coat. If anyone is unsure of this method please ask a member of staff.

Please note: the nursery will be closing on Thursday 23rd December and we will be returning on Tuesday 4th January. For those children that attend term time only, their last day will be the week commencing 13th December.

A big thank you to you all for your participation for Children in need – as a nursery we raised £117!

All children will be taking part in a variety of Christmas and winter activities throughout the rest of December. This will include making reindeer food and Christmas cards, baking activities, exploring different textures and learning about the real meaning of Christmas!

Merry Christmas and a Happy New year from everyone at Rising stars.

Look at all the fun we've been having!
