Dear parents/carers

We would like to welcome 5 new staff members to our team. Paula, Nikki, Angela, Shanice and Amy have all joined the Rising Stars team. We are excited for them all share their skills and support our ever growing setting.

As the nursery begins to get busier, we would like to politely ask that parents of the pre-school children try to avoid using buggies/push chairs or to take them home with you after drop off if you can. We only have a limited amount of space for the buggies to be stored and with so many of the pre-school children using push chairs; we are finding it increasingly difficult to do so.

Following the above, as the nursery is continuously growing, we ask that if there are any requests to change sessions including increasing or changing days, that these are all put in writing and that you try to give at least a month's notice. Due to the increase in children joining the setting the availability has become limited; therefore we may be less able to meet your needs at such short notice.

We often have really lovely verbal feedback when you all come to collect your children. This feedback is great to hear and we really appreciate all your comments. We would be ever so grateful if you could spare a moment to complete a review on our day nurseries page using the following link. <https://www.daynurseries.co.uk/daynursery.cfm/searchazref/65432223927>

We are potentially looking into offering parents a first aid course that will take place one evening after nursery hours. This first aid will cover all the basics and will give parents an opportunity to learn a new skill. In order for us to do this, we would first like to know how much interest there would be. Please let a member of the team know if this is something you would be interested in. If there is enough interest, we will look to book this and let you all know when.
