October 2023

Dear parents/carers

We hope you are all well and have had a lovely summer. We are super excited about the autumn term and have lots of exciting things to look forward to. Please see the list of activity ideas below for our October challenges.

## **October challenge - 6 things to do in autumn:**

- Go to the park and jump around in the leaves!
- Collect leaves and create a leaf printing painting.
- Have a cosy movie night with some hot chocolate.
- Visit a pumpkin patch.
- Bake and decorate some tasty treats that are Halloween themed.
- Decorate your house for the spooky season.
- Trick or treating.
- Create your very own costume for spooky week.

Please upload all your challenges to Tapestry for us to see as we would love to show them to the other children during circle times.

## **Staff and children achievements of the month:**

- Freya for taking her first steps.
- Lucy and Ruby for successfully potty training.
- Yahya and Deren for settling into nursery so well.
- Ezra for identifying multiple letters of the alphabet.
- Ava for communicating so well with staff and interacting more with her peers.

Room	Topic	Book of the month
Apple	Senses	That's Not My Wish
Pear	Farm and Zoo animals	Baby Animals
Plum	Hibernation	We're Going on a Bear Hunt
Cherry	The Human Body	Which Witches Wand Works?
Orange	Lifecycles	The Very Hungry Caterpillar

## **Please note:**

- Please put your child's name in all their items of clothing.
- Your fees are due within the first five working days of each month (unless you have a separate agreement with us). Please ensure that your fees are paid on time. It is taking a lot of our time chasing payments.
- Please ensure you are collecting at the correct session times as this can cause delays with other children coming in and staff going home.
- Please contact the nursery in the morning if your child has an illness or is on medication so that we can advise you what to do as there are exclusions for certain situations/illnesses.
